# 1. Mimi goes shopping

This is Mimi's house...

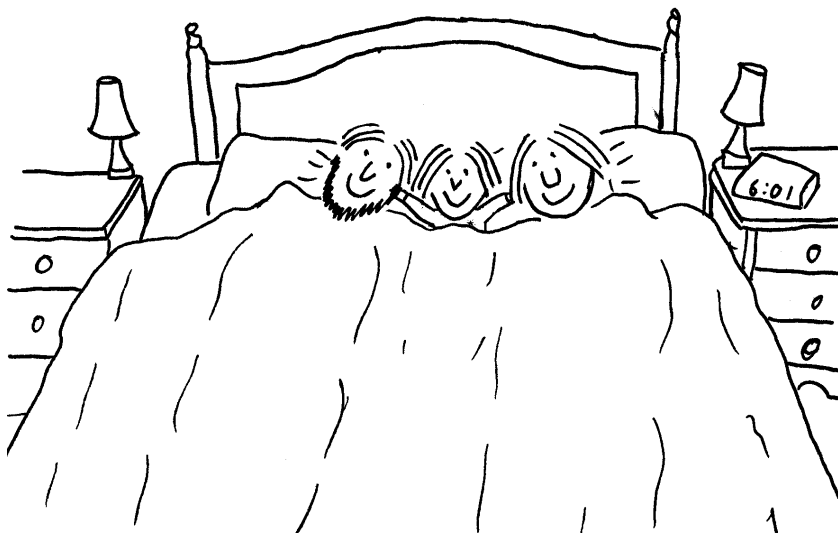

...and this is Mimi's bed.

It is morning. Mimi climbs out of bed...

...and into Mama and Daddy's bed.

Everyone has a lovely family cuddle together.

Then it is time to get up. 'Get up!', shouts Mimi.

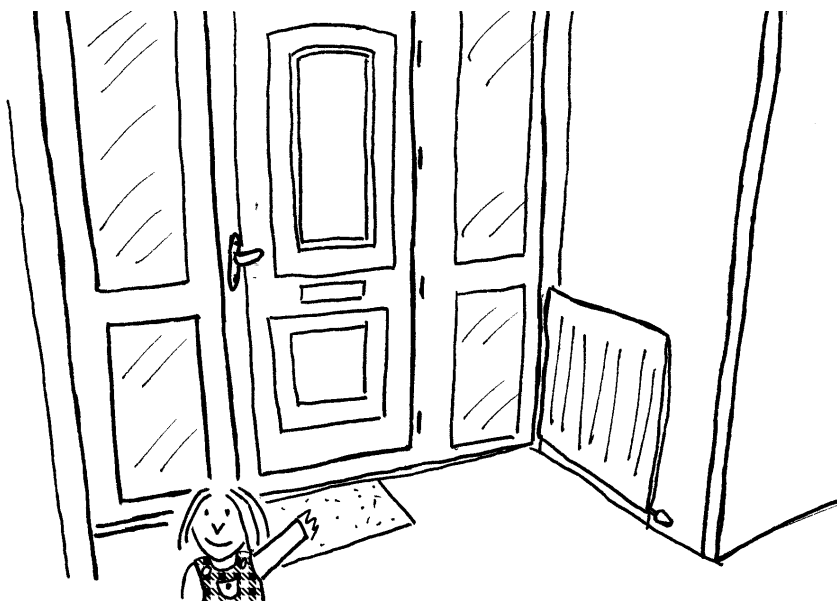

Everyone eats cereal for breakfast.

Mimi waves goodbye to Daddy as he leaves for work.

Mimi asks Mama for a yogurt drink.

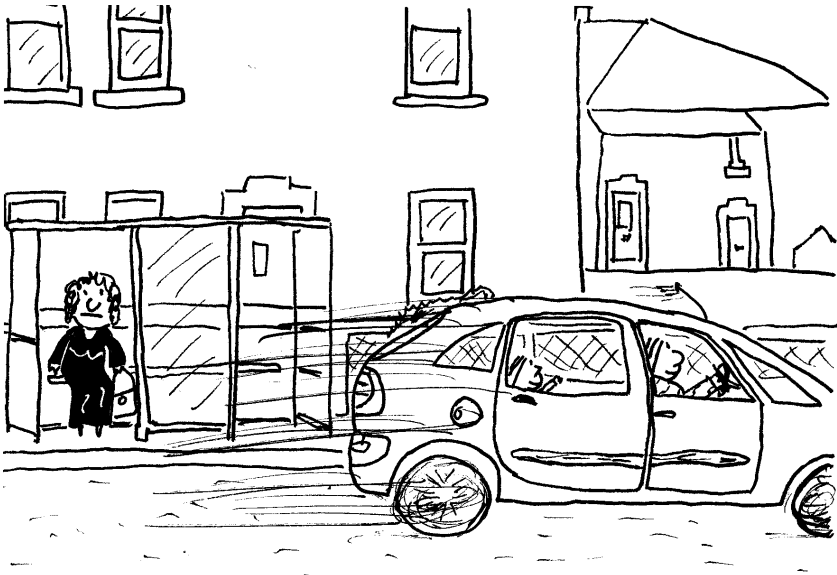

Unfortunately, there are none left in the fridge.

‘We can buy some more yogurt drinks when we go shopping’, says Mama.

They get ready to go shopping. Mimi is fastened into her car seat.

Mama drives the car to the shop.

In the shop, Mimi sits in the trolley.

There are lots of strange people to see.

After looking around, Mimi would like to get out and walk.

She sees something interesting in the shelf.

A pair of rubber gloves to put in the trolley.

Mama does not need any rubber gloves...

...but she does need some baking paper. Mimi puts the baking paper into the trolley.

The yogurt drinks are on this shelf. Mimi takes one...

...and carefully puts it into the trolley.

Mama lifts Mimi back into the trolley.

Then Mama pays for the shopping before leaving.

Back home, Mimi helps to unpack the shopping...

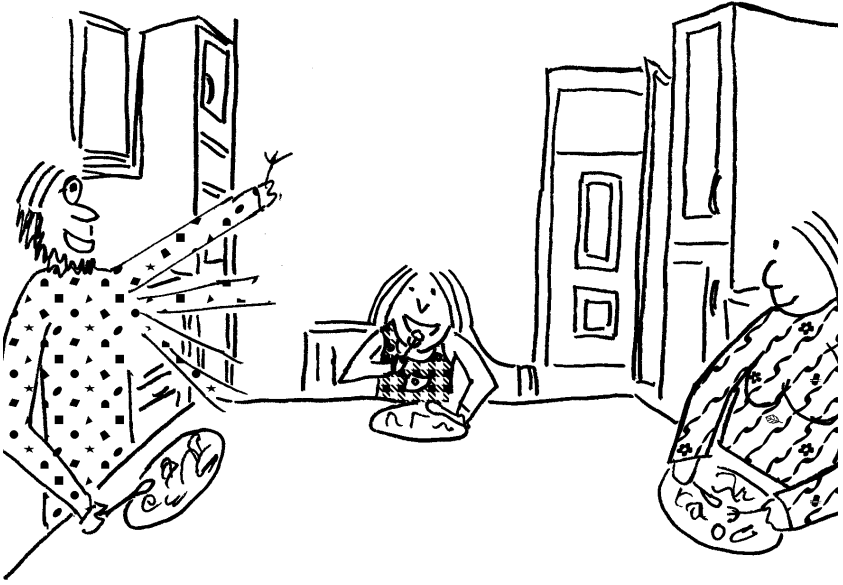

...and then drinks her yogurt drink. Yummy!

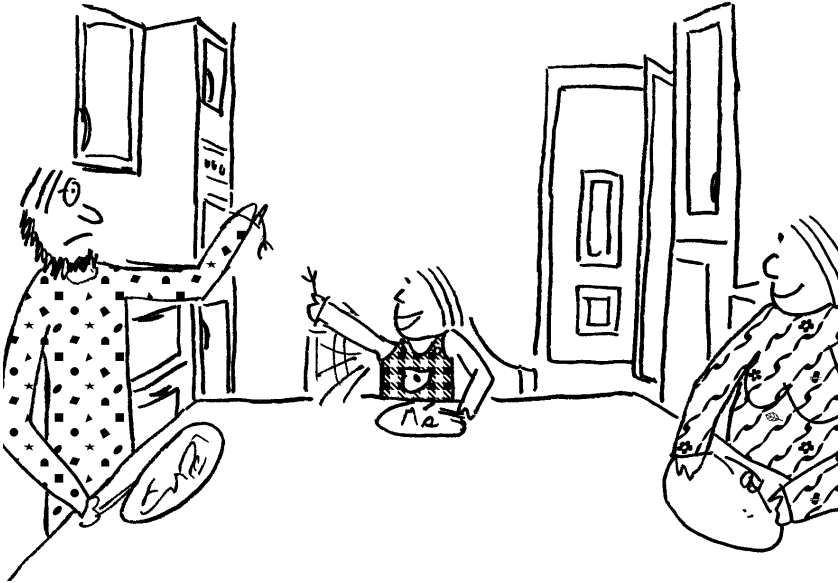

Later, Daddy arrives back from work...

...and everyone has dinner together.

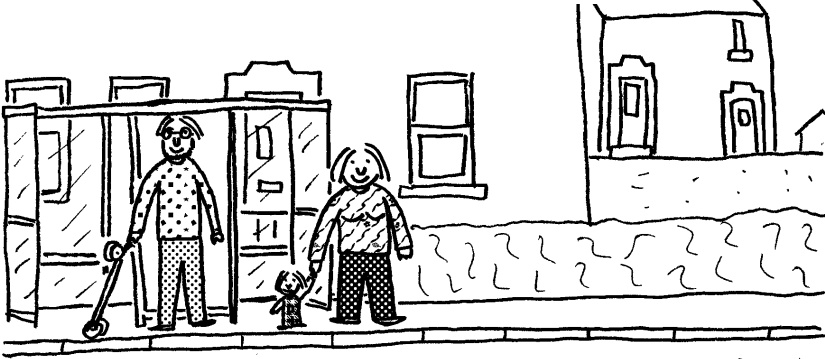

‘I would like some ketchup’, says Daddy.

‘Go shopping!’, replies Mimi.

## 2. Mimi and the Exhibition

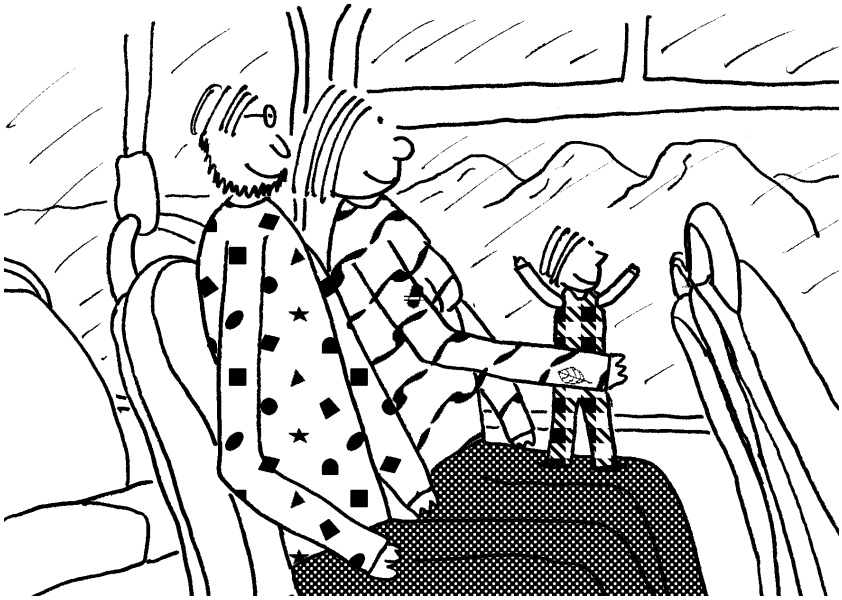

Daddy, Mama and Mimi are waiting for a bus.

The bus arrives...

...and Mama buys tickets for everyone.

Mimi can see the hills out of the bus window.

The bus arrives in the city...

...and Mimi climbs into the pushchair.

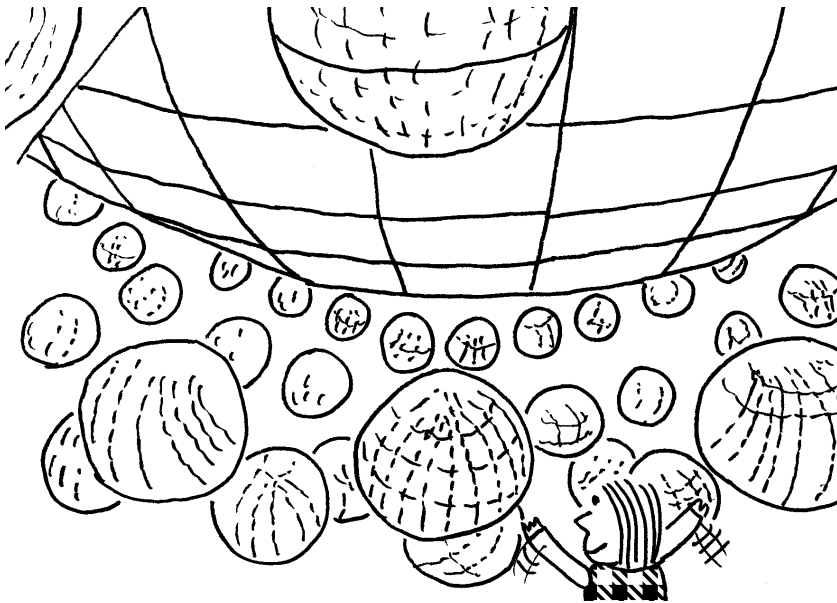

Mama pushes the pushchair up the hill.

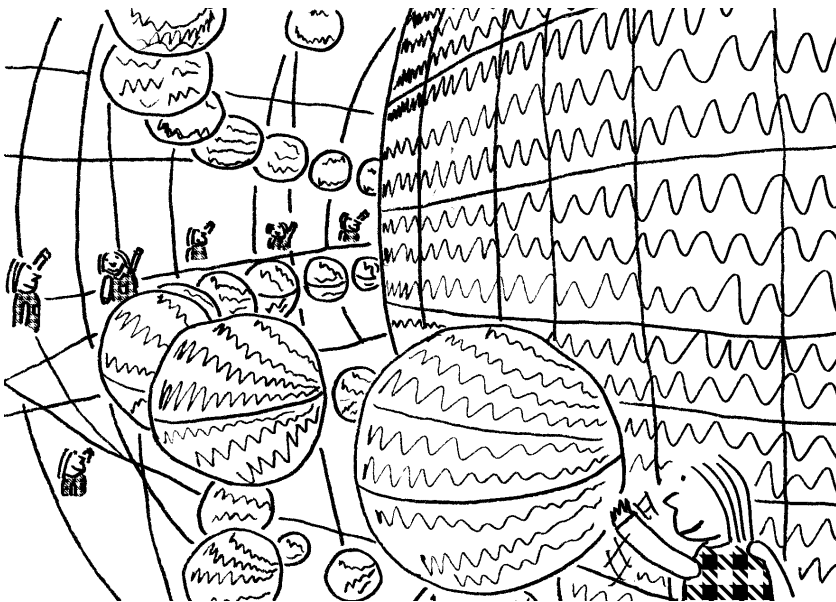

At the exhibition, Daddy pays for entry tickets.

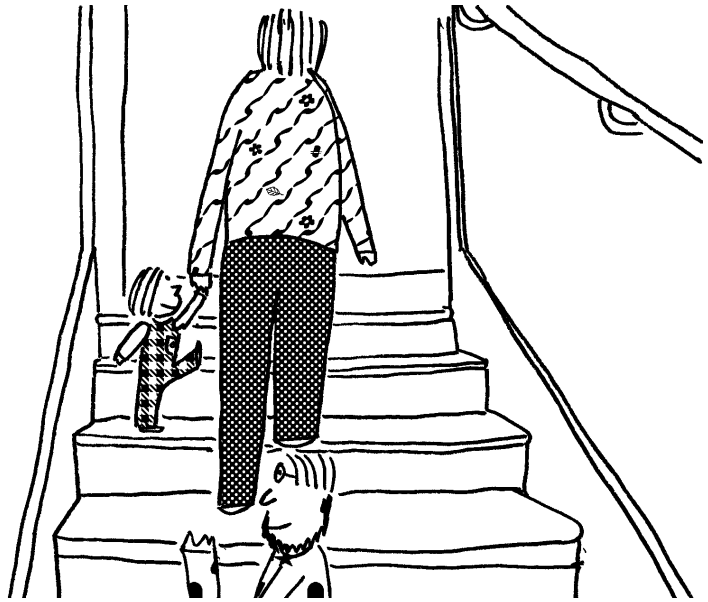

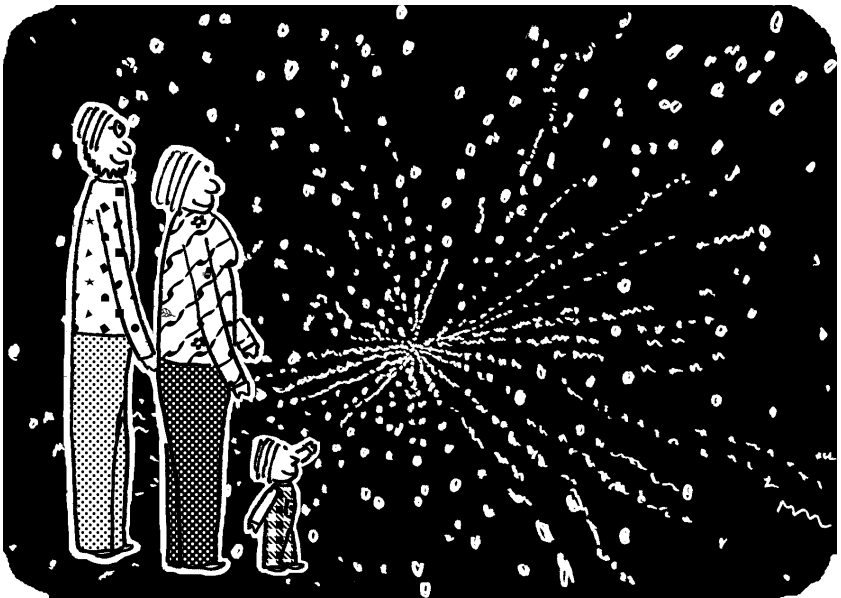

Mimi looks into the strange kaleidoscope...

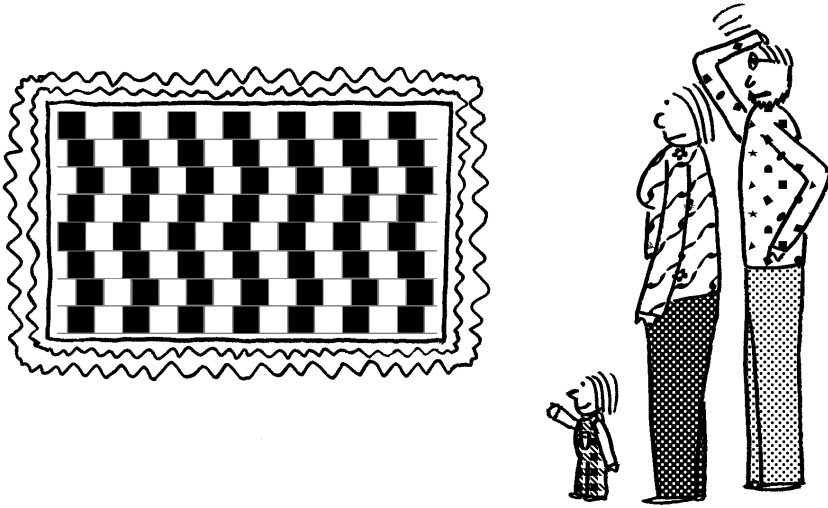

...and waves to herself!

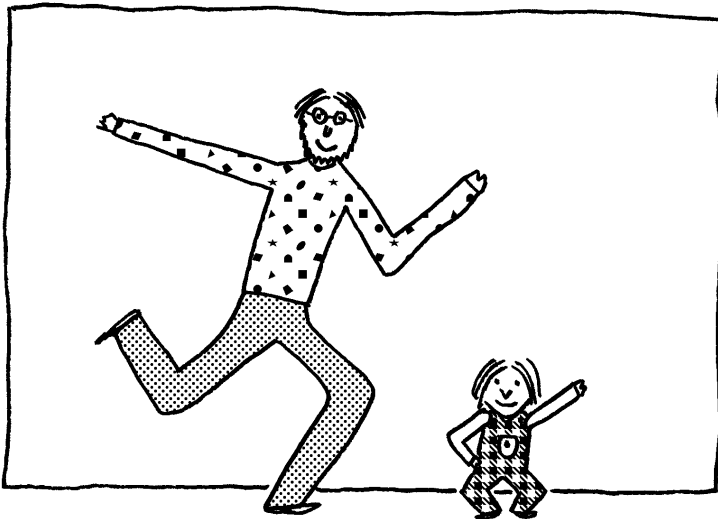

Everyone continues up the stairs...

...to find themselves in the stars!

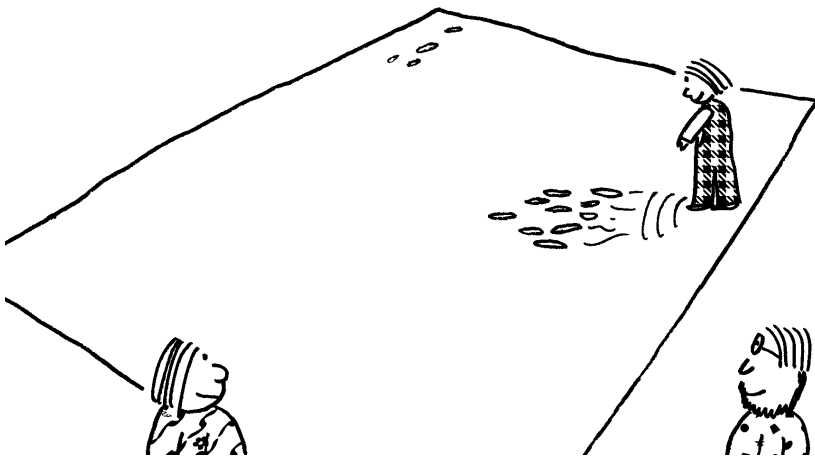

What a strange picture. Are these lines straight?

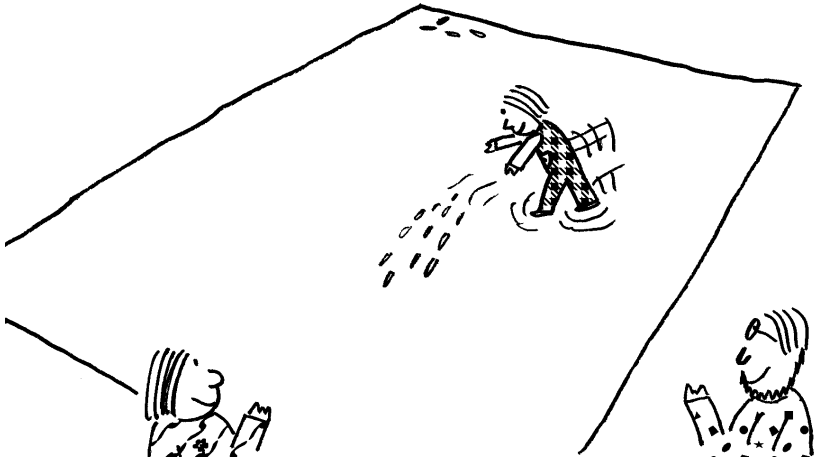

The shadow machine is next.

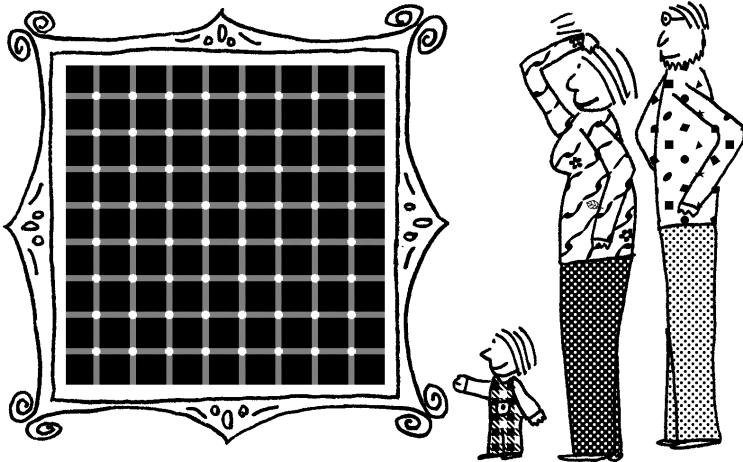

Click! The machine takes a picture of Mimi and Daddy's shadow!

Mimi finds some pretend cartoon fish...

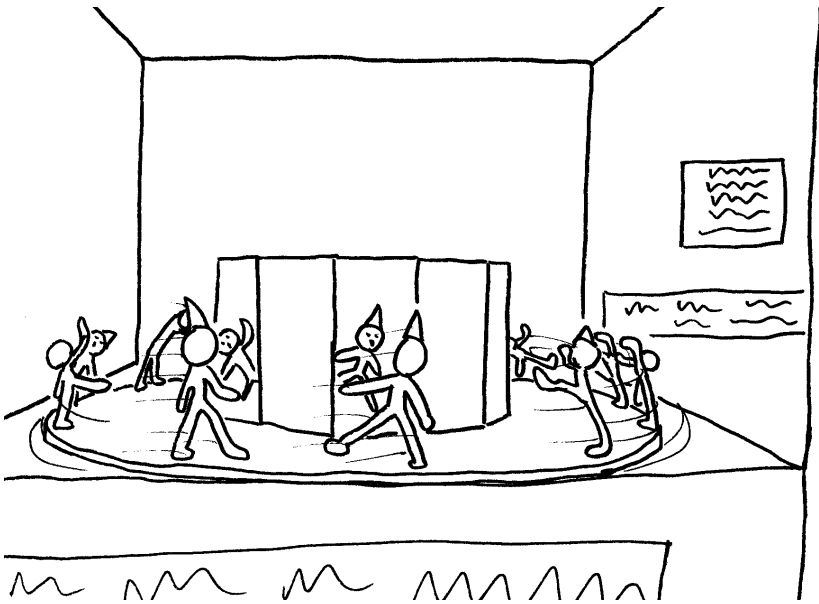

...which swim away! Come back!

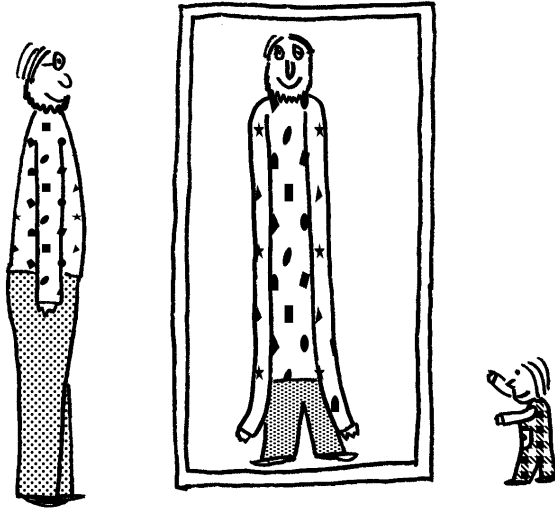

Another strange picture. Can you find the black dots?

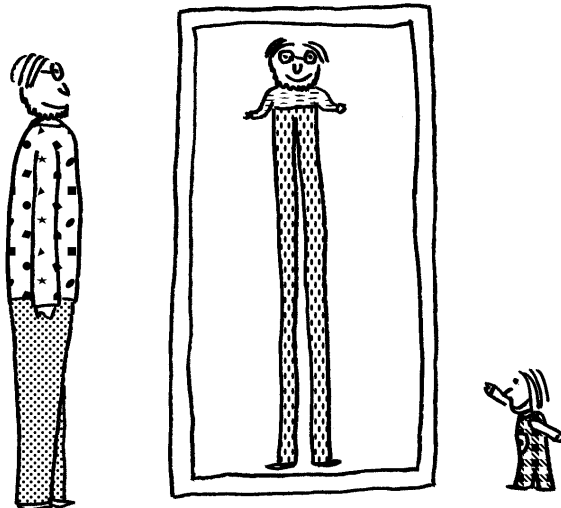

Mimi presses a button...

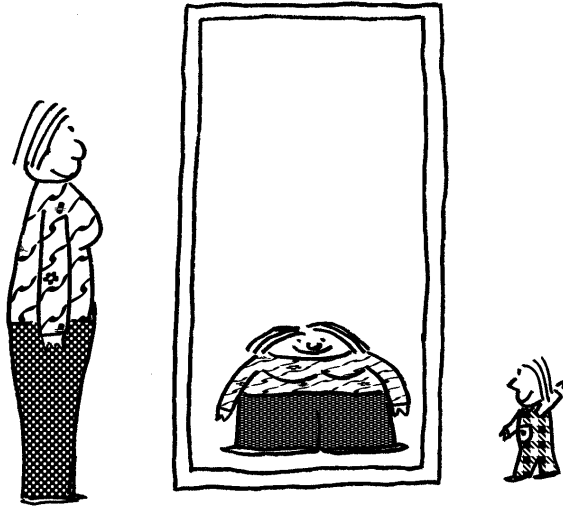

...and the little man dances in the mirrors.

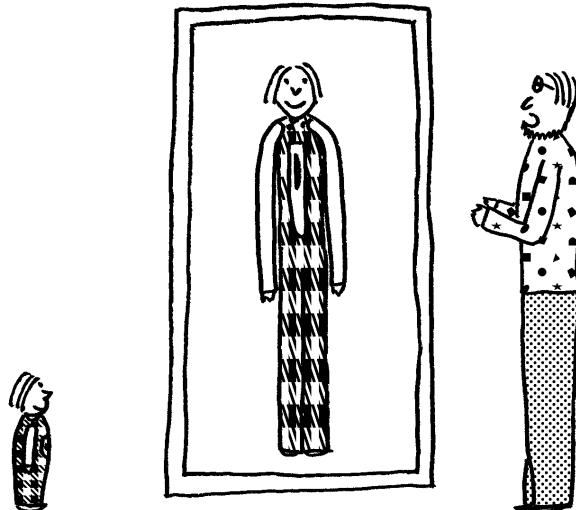

Daddy has long arms and short legs in this mirror,

but in this mirror he has long legs and short arms!

Mama is as short as Mimi in this mirror,

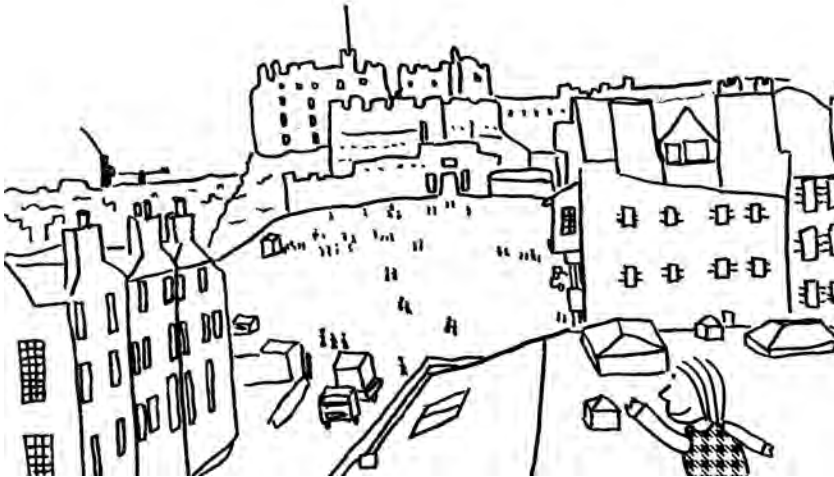

but Mimi is as tall as Daddy in this mirror!

One can see across the city on the rooftop...

...and over here is the castle.

In the gift shop, Mimi sees a ruler she wants.

Mama buys the ruler for Mimi.

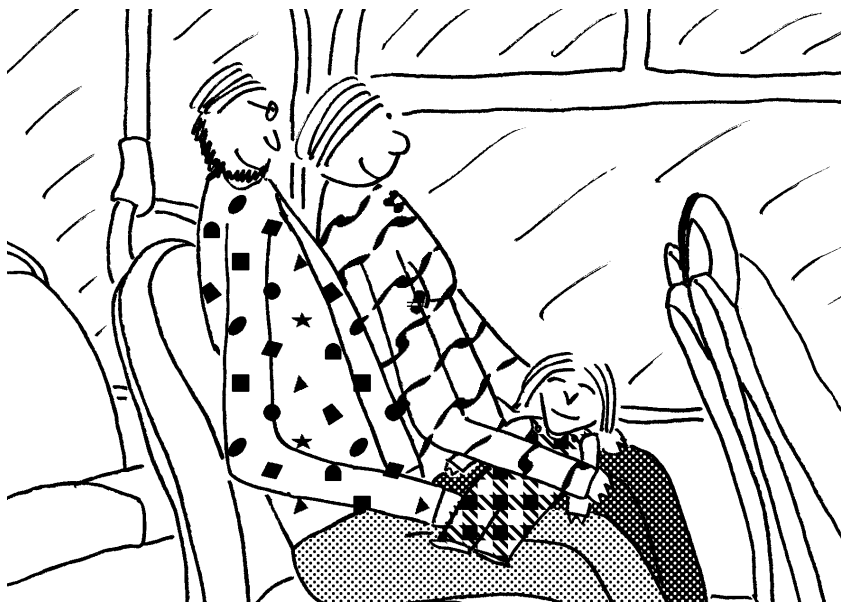

It is time to go home.

On the way, they see a clown doing tricks. Ho ho, silly clown!

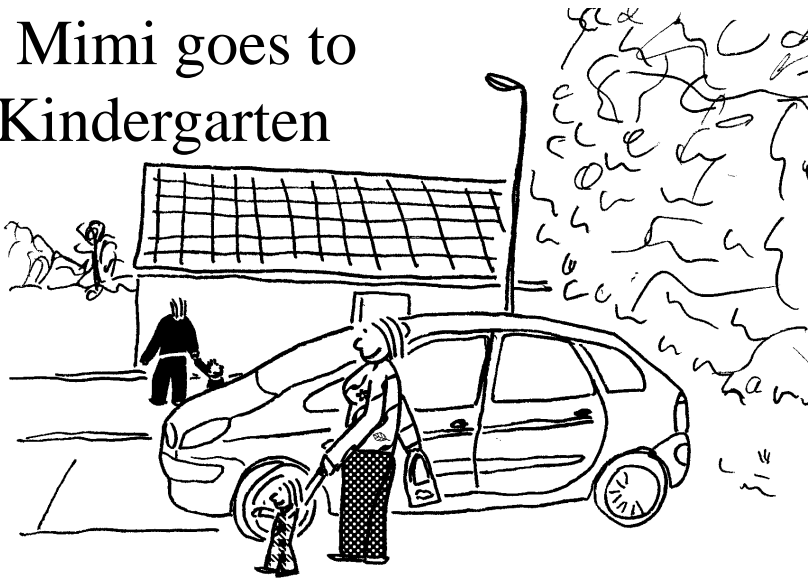

Soon, the bus arrives after such an exciting day...

...and Mimi falls asleep on the way home.

Mama and Daddy are in bed.

Mimi arrives...

...and climbs on the bed.

They have a lovely family cuddle.

Today, it is raining outside...

...and Mama must go to work.

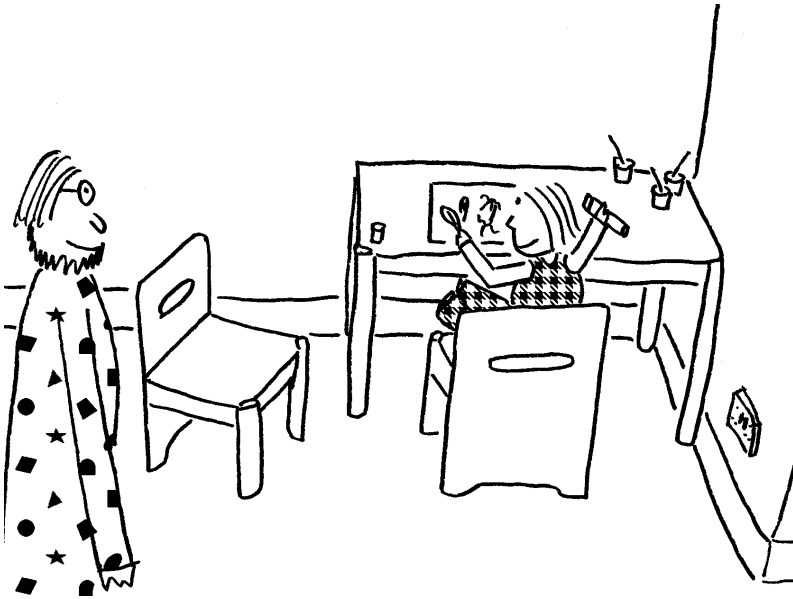

Mimi waves goodbye.

Mimi wants to do some painting.

Daddy gives Mimi some leaves.

She sticks them to the picture.

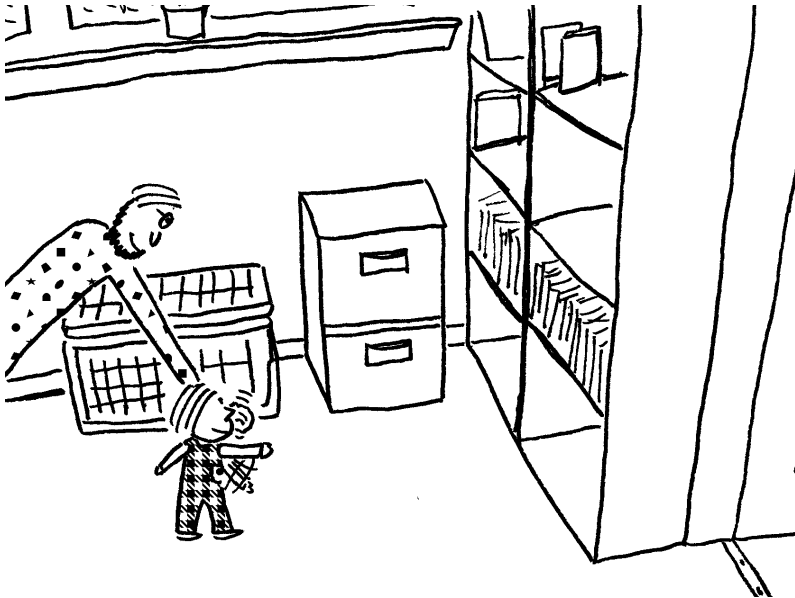

‘Look at my beautiful picture’, says Mimi.

Mimi runs upstairs.

‘Here is a river’, says Mimi.

She throws a stone into the river.

In the bathroom, Mimi has found Didi's house.

Knock! Knock! She enters the house.

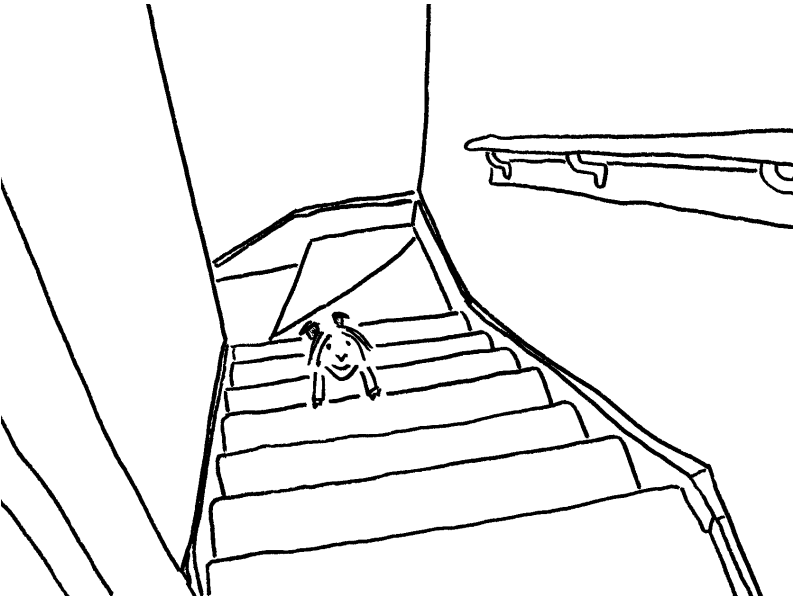

‘Hello Daddy’, says Mimi as she looks out of the window.

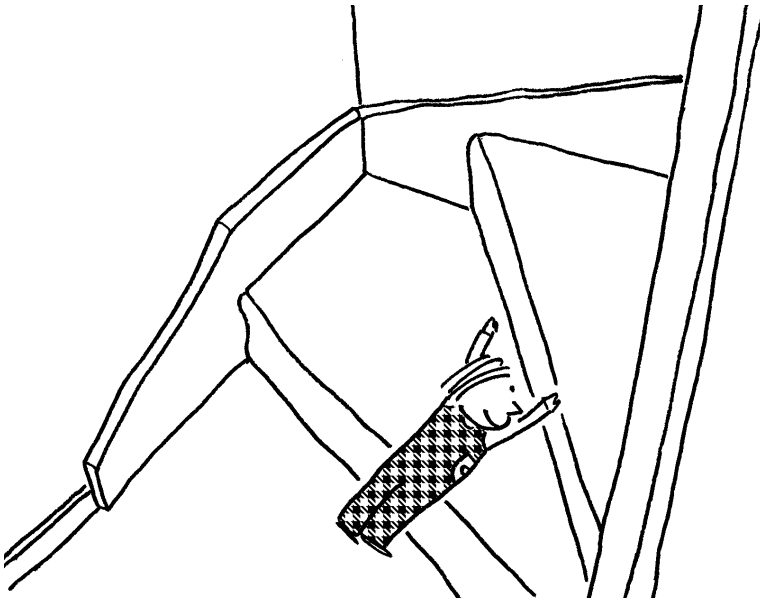

‘Come in’, says Mimi. ‘Sorry I am too big’, explains Daddy.

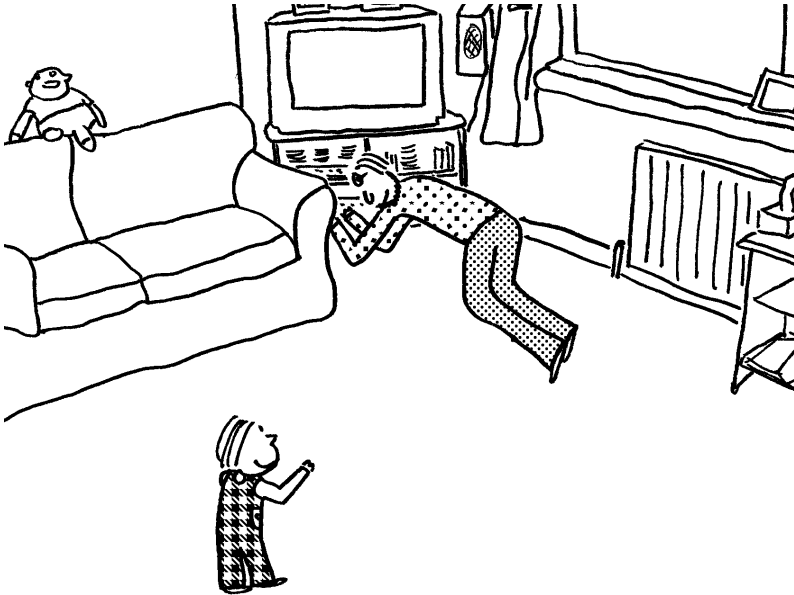

Mimi comes out of the house...

...and slides back down the stairs.

Sliding is fun!

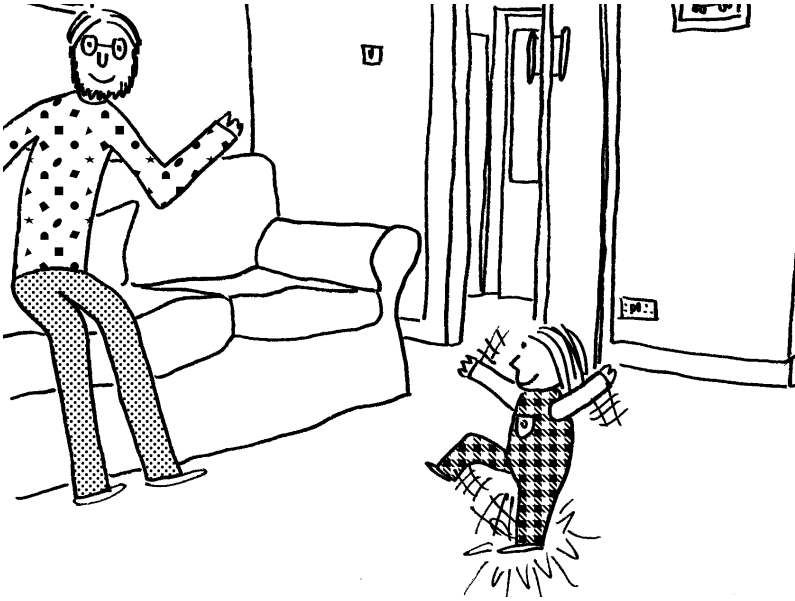

Daddy puts on some of Mimi's music.

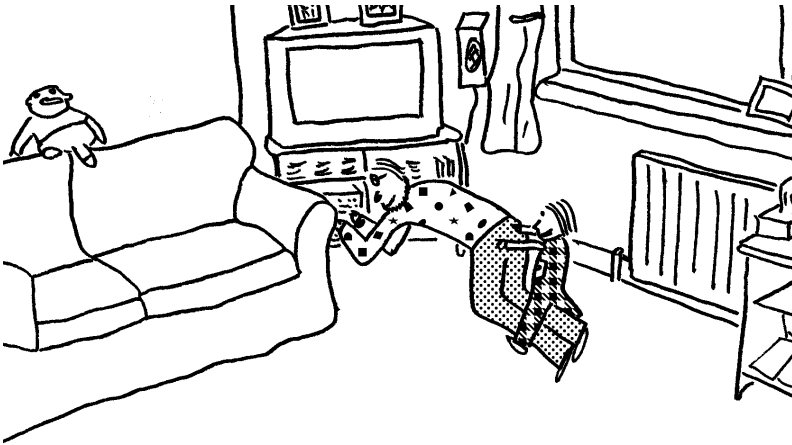

*Wind the bobbin up... la la la...*

*...clap your hands... la la la...*

*...stamp your feet... la la la!*

Daddy puts on his favourite music.

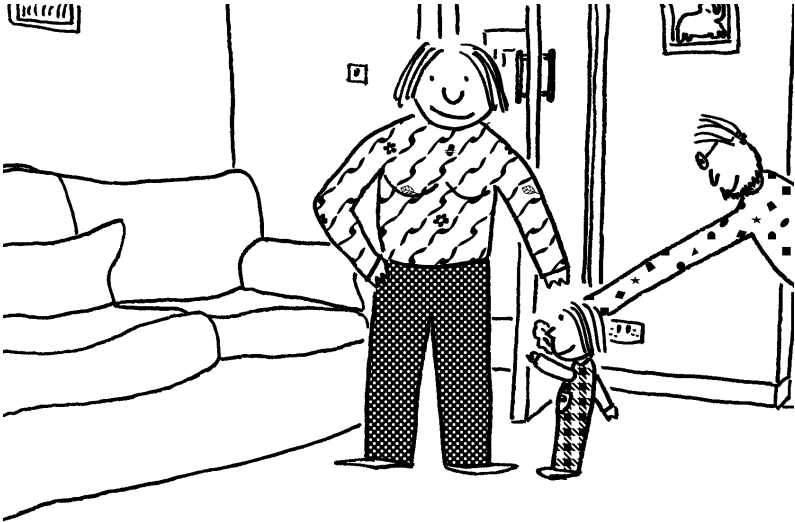

Ta-da, like this, hup! Hand on one hip and raise one hand.

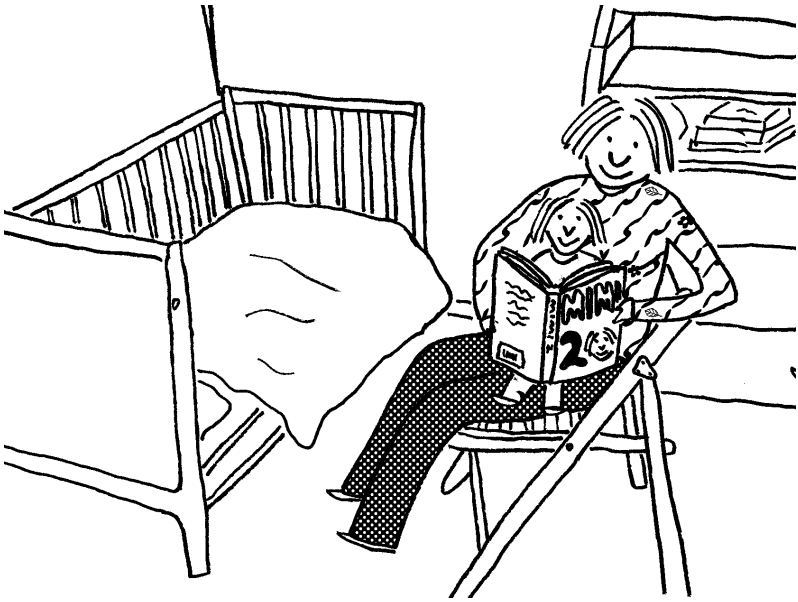

Crouch down and wave your arms around!  
Whooo!

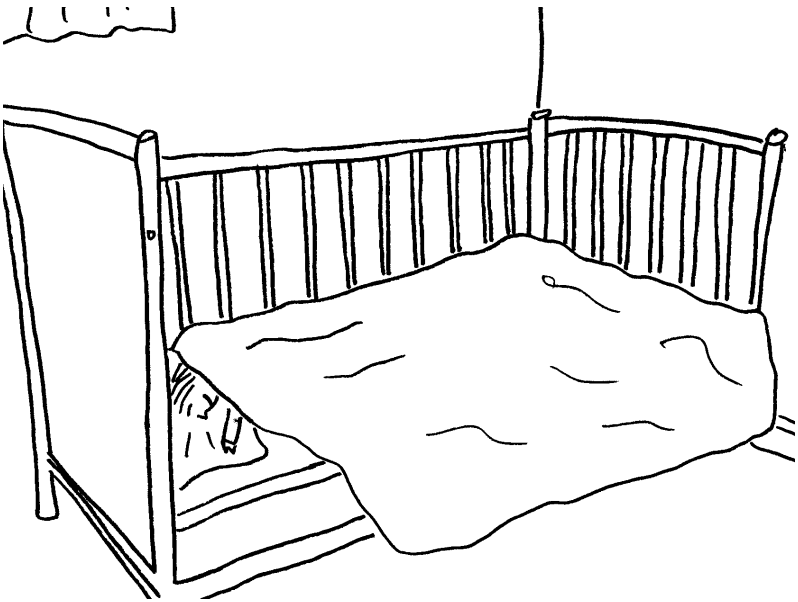

Finally, run on the spot with your arms out front. Hey, hey, hey... ho!

Mama arrives back from work. It is time for bed.

Mama reads Mimi her favourite book.

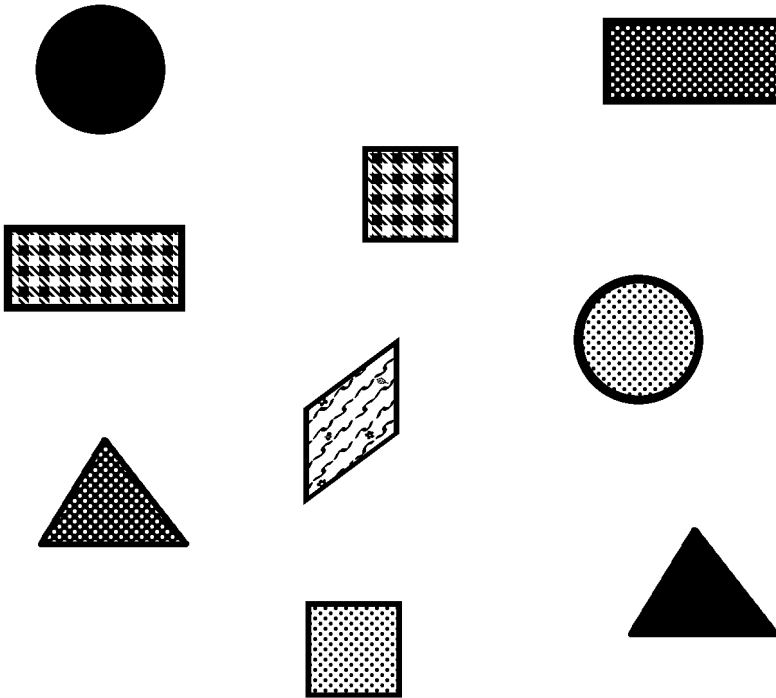

Mimi falls asleep after her exciting day.
